5thly.—(*a*) The right to the sixteen descriptions of trees marginally noted, growing or to grow on the lands to which the aforesaid settlement has been extended and which are charged with full acreage assessment, whether fixed in perpetuity or for 30 years, shall vest in Government. But the holders of the aforesaid lands will be allowed to use, free of charge, the timber of the aforesaid trees, except sandal, for their own *bona fide* purposes.

If the Government right to the trees is not purchased by the holder as above provided for, a seigniorage will be levied by Government upon all the aforesaid trees, (except sandal) which may be felled otherwise than for *bona fide* private purposes of the holder.

(c) No sandal trees growing or to grow upon the aforesaid lands shall be felled, used or disposed of, except by or under the orders of Government.

The Government right to the sixteen descriptions of reserved trees specified in clause 5, growing or to grow on lands held on *grass* assessment, is reserved to Government, as such tenure conveys a right merely to pasturage and growth of firewood. Such lands generally contain heavy forests. Until the holder of lands held on grass assessment acquires this right by paying the full value of such trees, the existing prohibitions against the felling of reserved trees must continue to apply to such trees growing on such lands.
